Members of Public Present: 3 members of the public attended the board meeting.

Meeting Purpose: To review the draft rules.

President Mike Jones called the board meeting to order.

The board reviewed the rules and made minor changes to the draft. Rule 5 Drainage and Rule 6 Floodplain were discussed at length due to the changes that were made from the January draft rules. Snow storage was also discussed and the board discussed including the alternative language that allowed for snow storage in the floodplain 300 feet from the stream and with best management practices.

Draft rules will be placed on the agenda on the 16th of March with a decision to submit to BWSR.
