This form notifies the Cedar River Watershed District (CRWD) and their engineering consultants of a proposed project, which may fall within their jurisdiction. Nothing within the CRWD rules removes the requirements of other permits or authorizations from other local, state or federal agencies. Fill out this form and return to the CRWD location listed above. You must include site plan, maps, etc.

**ALL REQUIRED AUTHORIZATIONS MUST BE OBTAINED BEFORE WORK BEGINS**

The intent of the CRWD Rules is to maintain existing flows and improve water quality throughout the entire Cedar River Watershed
